

Driving Directions to the Law Offices of Sam Calvert

From the west, come down Division St. to 14th Avenue; turn left; go north three short blocks (named St. Germain, 1st St. North, 2nd St. North); turn right at the stop sign at 2nd St.; North; go easterly about three and one-half blocks. As you approach the stoplight, there is a parking lot on the west side of my building.

From the south, come up Highway 15 to Division St.; turn right onto Division St.; come down Division St. to 14th Avenue; turn left; go north three short blocks (named St. Germain, 1st St. North, 2nd St. North); turn right at the stop sign at 2nd St.; North; go easterly about three and one-half blocks. As you approach the stoplight, there is a parking lot on the west side of my building.

From the north, come down Highway 10 until the intersection with St. Germain St. (a stoplight intersection with Wendy's, BP station, Copper Kettle, and Hemsings Deli). Turn right; proceed westerly until you cross the Mississippi River. At that point the street changes its name to 2nd St. North (although you are on the same street). Continue to the fourth stoplight (4th, 6th, 8th, 9th); when you are at the fourth stoplight continue about one-half block; the parking lot to my building is on the west side of the building.

From the east, come down Highway 23, which as you enter St. Cloud is renamed Division St. Cross the Mississippi River; continue through three stoplights (5th and 7th); you will cross a bridge; just after you have crossed the bridge there is a ramp leading down off the highway to 9th Avenue. Take the ramp; when you get to the bottom of the ramp there is a stoplight; turn left. You will then be heading north, up a small hill. Continue through the light at the top of the small hill and on to the second light. Turn left at that second stoplight, and turn right into the parking lot on the west side of the building. If you go under a railroad overpass, you have gone too far!
